

Name _____

Primary	Secondary
---------	-----------

Please select **one set** of a Primary color plus a Secondary "neighbor" for your *analogous* color painting. Write your selection in the boxes above.

**Everyone will also have white paint to create a wide variety of *tints*.

Analogous colors are next to one another on the color wheel and are harmonious. Your primary and secondary analogous selection can be mixed to create additional hues without any worry over "muddy" colors.

Tints often referred to as pastels are created with white plus your color
