

Tabletop Poinsettia Assembly

1

Sticky Circle

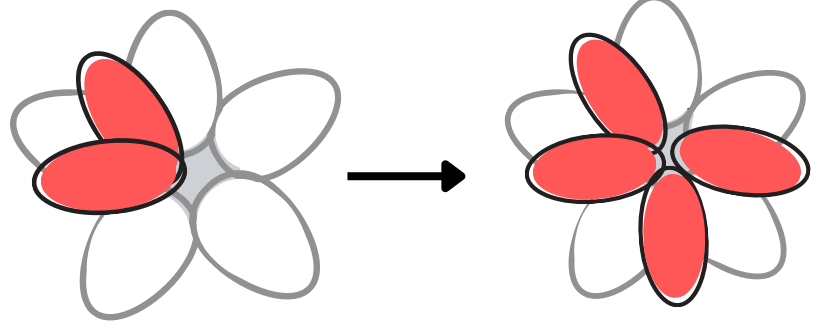

Bracts &
Leaves

Remove the liner from the **large** collage circle.

Position **5 LARGE** leaves overlapping the circle and press into place.

2

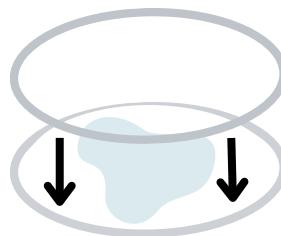

Position **medium** sized bracts over the leaves, overlapping the sticky circle - firmly press into place

3

Repeat using the small sticky circle. Use 1 or 2 medium bracts and fill in remaining space with small bracts.

4

Apply glue to the center of the large circle, stack the small on top to secure together.

5

Center poinsettia over the frame and glue several bottom petals to the frame.

Smear tacky glue onto the center of the poinsettia and add the yellow FLOWER center.
